These Magic Hands

*Gentle, giving, loving, teaching, caring
Working, talented hands.
Mom had them all*

*She gave from the heart, asked nothing in return
Taught family values, what was right and wrong
Not perfect, but did the best she knew
A quick wit, a sparkle in her eye, a smile that was contagious
This was and forever will be our mother, grandmother
Love you always and never forgotten.

Appreciation

*The family wishes to express their deepest thanks for your many expressions of kindness.
Following the service you are invited to join them
for a time of fellowship and lunch in the hall.*

*God saw you getting tired
And the cure was not to be.
So He wrapped you in His loving arms
And whispered, "Come with Me."
You tried so hard to stay with us
Your fight was not in vain,
God took you in His loving arms
And freed you from all pain.
You didn't deserve what you went through
So He took you home to rest
God's garden must be beautiful
For He only takes the best.*
