### A Farmer's Prayer

I've planted many a kernel of wheat  
Welcomed many a morning sun.  
I've eaten the dust and tasted the wind,  
And I've gotten many a good job done.

I've climbed off the combine with dirt on my face,  
And pain in my weary bones.  
But somehow, I always can master a grin,  
When I see the lights of home.

As I trudge once more through the field of my years,  
And separate chaff from the grain.  
I thank the good Lord, I can say in my heart  
That I'd do it all over again.
