

Ken Flynn was born Jan. 6, 1932 the 5th son of John and Sadie Flynn. His brothers Ed, Bill, Mac and Ron shared chores and sports throughout the years. The family was complete when 4 years later Beryl arrived. Ken attended Fir Mountain school for all his educational years. He walked with the Greffard kids or rode his horse Dolly to school. He participated in track and field, and all other school sports. Upon completing school Ken spent time working off the farm at odd jobs, and his heart for farming brought him home in 1956. Love also bloomed when he met and romanced Sylvia Piche. They were married on Jan.14,1961. Their union brought a family of 3, Kim, Arlene and Shelley. They farmed from the start, working hard together, growing crops and raising cattle. He loved the farming end, spending hours watching his crop grow and checking grain heads, bringing them home near harvest. He collected the heads, thrashed them out, counted the kernels. Ken was helpful, volunteering for all cement basement pouring. He was good muscle at all his family brandings, for Ron, Bruce (sr.), Bob (sr.) and Merle Flynn. Ken coached the Fir Mountain Little league team, he was an Assistant leader in Wood Mountain 4-H club and for many years made the ice and was the caretaker of the Fir Mountain curling rink. Ken always had time to play catch, croquet, horse shoes, cards and boards games with his children, grandchildren, his nieces and nephews. He had a special spot for all children. Ken's sports interest started early with baseball, and the family curling team, and later continued with the Glentworth bowling league. His baseball days included local play, twilight and masters. He was seen playing catch with his grandson when he was 86. Ken and Sylvia enjoyed many hours of bridge and cribbage with their friends. The couple were spectators of their children's and their grandchildren's sports. Ken happily lived his years on the farm, until recent medical conditions required his move to the Mankota Prairie View Health Centre.

## Remembered Always

**Ken Flynn**  
 1932-2021

**A Farmer's Prayer**

*I've planted many a kernel of wheat  
 Welcomed many a morning sun.  
 I've eaten the dust and tasted the wind,  
 And I've gotten many a good job done.  
 I've climbed off the tractor with dirt on my face,  
 And pain in my weary bones.  
 But somehow, I always can master a grin,  
 When I see the lights of home.  
 As I trudge once more through the field of my years,  
 And separate chaff from the grain.  
 I thank the good Lord, I can say in my heart  
 That I'd do it all over again.*
