

Appreciation

We wish to express a heartfelt thank you to our friends, neighbours, first responders, 911 dispatch, and EMS for the many expressions of kindness, care and compassion extended to our family. We are truly blessed to be surrounded by so many exceptional people. Following the service please join us for a time of lunch and fellowship in the hall.

*These hands are the hands of a gentleman
 These hands are calloused and old
 These hands raised a family
 These hands built a home.*

*These hands won the heart of my loved ones
 And with them they were never alone
 If these hands filled their task
 Then what more could one ask
 For these fingers have worked to the bone.*

*Don't try to judge me
 By what you'd like me to be
 For my life has been nothing but blessed
 These hands brought me happiness.*

In Loving Memory

*Remember him with a smile today
 He was not one for tears
 Reflect instead on memories
 Of all the happy years.*

*Recall to mind the way he spoke
 And all the things he said
 His strength, his stance,
 the way he walked
 Remember these instead.*

*The good advice he'd give us
 His eyes that shone with laughter
 So much of him will never die
 But live on ever after.*

*As we loved you, so we miss you
 In our memory you are near
 Loved, remembered, longed for always
 Bringing many a silent tear.*
