Forever In Our Hearts

Jim Smith

A Farmer's Prayer

*I've planted many a kernel of wheat
 Welcomed many a morning sun.
 I've eaten the dust and tasted the wind,
 And I've gotten many a good job done.*

*I've climbed off the tractor with dirt on my face,
 And pain in my weary bones.
 But somehow, I always can master a grin,
 When I see the lights of home.*

*As I trudge once more through the field of my years,
 And separate chaff from the grain.
 I thank the good Lord, I can say in my heart
 That I'd do it all over again.*
