Weaving New Ways

*here together we are like the patches
on grandmother's cover quilt
each of us different
all of us of the same cloth
weaving new ways.
leaving the dishes in the sink
the children the chores the commitment
knowing this is where we need to be
to sort our thoughts and fill our cups
here with each other giving what we can
taking what we need
doing what we have to
our faith is made anew
our hope is rekindled
our strength is regained
here together we are weaving new ways.*
