

Forever In Our Hearts

Dear Grandma

*I want to walk with you, Grandma
Your steps are short like mine.
You don't say, "Now hurry up,"
You always take your time.
I want to walk with you, Grandma
Your eyes see things like mine do.
Wee pebbles bright, a funny cloud,
Half bidden drops of dew.
Most people have to hurry
They do not stop and see.
I'm glad that God made you, Grandma
Unrushed and young like me!*

Love You Grandma

Anita Marie Bernadette (née Buissé) Kuffner passed away at Lafleche on September 9, 2025 at the age of 91 years, surrounded by her loving family. Anita was born on the farm near Redvers on May 11, 1934 and grew up in a large family on the farm. In her early years, Anita attended a Catholic Residential school in Wauchope, SK and later took her LPN in Winnipeg and Souris, Manitoba. Anita nursed at many locations in Western Canada. Anita married William Kuffner on October 29, 1960 in Redvers, SK, and they settled in Glentworth, SK. In 1965, they moved into their newly built home in town. Anita helped alongside her husband with every aspect of the farm and cattle operation. Many full meals were brought out to whoever was working in the field, along with enough food to feed five hungry children. It was not unusual for us kids to come home from school to fresh-baked buns, bread, cinnamon rolls, doughnuts and much more. In later years, each time the family visited, they were happily sent home with pails of cookies and other treats. Anita kept very busy driving to hockey, dance and school activities and she volunteered at the community hall, and rink as well as serving on the Women's Altar Society. Anita and Bill enjoyed their circle of friends and could often be found playing cards or enjoying a coffee or other refreshment, always enjoying a good laugh. Anita kept chickens and turkeys and grew a large garden that was put into jars or the freezer to feed the family through the winter. She was always busy with many creative interests, taking community classes, as well as sewing, knitting and much more. After raising her children, Anita returned to the workforce in 1984 as a Care Aid and retired in 1999. By all accounts, she was a hard worker and compassionate in her care. After retirement, Anita and Bill spent time visiting Grandchildren and Great Grandchildren. They both continued to help on the farm, and you would often find Anita and Bill together fixing fence or checking cows. Anita and Bill eventually retired to Assiniboia in their later years. Anita leaves behind her loving family. Son, **Paul** (Karen) Laken, Ashton (Desmond), Zayla. Son, **Joseph** (Tracey) Jeremy (Gillian) Kayden, Grayson, Isabella.
