### KRYPTONITE - 3 DOORS DOWN

Well, I took a walk around the world  
to ease my troubled mind  
I left my body lying somewhere in  
the sands of time  
But I watched the world float to the dark  
side of the moon  
I feel there's nothing I can do, yeah

I watched the world float to the  
dark side of the moon  
After all I knew, it had to be something  
to do with you  
I really don't mind what happens  
now and then  
As long as you'll be my friend at the end

If I go crazy, then will you still call me  
Superman?  
If I'm alive and well, will you be  
there and holding my hand?  
I'll keep you by my side with my  
superhuman might  
Kryptonite

You called me strong, you called me weak  
But still your secrets, I will keep  
You took for granted all the times,  
I never let you down  
You stumbled in and bumped your head  
If not for me then you'd be dead

I picked you up and put you  
back on solid ground

If I go crazy, then will you still call me  
Superman?  
If I'm alive and well, will you  
be there and holding my hand?  
I'll keep you by my side with my  
superhuman might  
Kryptonite

If I go crazy, then will you still call me  
Superman?  
If I'm alive and well, will you be there  
holding my hand?  
I'll keep you by my side with my  
superhuman might  
Kryptonite, yeah

If I go crazy, then will you still call me  
Superman?  
If I'm alive and well, will you  
be there and holding my hand?  
I'll keep you by my side with my  
superhuman might  
Kryptonite

All around the world  
All around the world  
All around the world
