

"When I Must Leave You"

*When I must leave you for a little while,
Please do not grieve and shed wild tears
And hug your sorrow to you through the years,
But start out bravely with a gallant smile;
And for my sake and in my name
Live on and do all things the same,
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky!*

We Are Blessed

*When you have a mother who makes you proud,
makes you laugh and, very often, makes your day....
you know what joy is.*

*When you have a mother who is a good person
with a gracious heart and gorgeous spirit....
you know what peace is.*

*When you have a mother whose beauty (inside and out)
is matched only by her compassion for others....
you know what love is.*

*Because we had you for our mother
we know what is to be truly blessed.*
