In Loving Memory

Edgar Haubrich

Edgar passed away on March 16, 2021 at the age of 86 in Swift Current, Saskatchewan. Edgar, second youngest of 9 children, was born on August 16, 1934 in Vanguard, to Anton and Katherine (Peace) Haubrich. He spent his childhood on the Gooding District family farm then eventually the farm south of Hodgeville. During the first part of his life, Edgar enjoyed school - he played ball, competed in track and field events (won many trophies), and attended concerts, dances, and card parties. Sports continued to be one of his favorite pastimes - he played baseball and softball for over 13 years and curled in the winter. His favorite teams were his children's and grandchildren's, which he so proudly watched, followed, and cheered on. He passed on his legacy of a love of learning and sports to all. At the age of 27, Edgar married Sonja Krenosky on July 14, 1962. They purchased a section of land outside of Hodgeville where they began their family, farmed and lived for over 54 years, before moving to Swift Current in 2016. Edgar and Sonja raised four children, Greg (Anne) Haubrich, Joanne (Daniel) Brisebois, Jacalyn (Brian) Neilmeyer, and Marlon (Daenna Currie) Haubrich. They were also blessed with 11 grandchildren and a great-grandson. Edgar and Sonja spent time tending a huge garden, travelling - despite Edgar's fear of flying and water, he did make trips by plane and a cruise - playing cards, crokinole, road trips to Calgary and Weyburn, supporting church events, eating well and visiting with friends and family - they had "a complete and fulfilling adventure". Edgar's other solo passions were crossword puzzles, reading and keeping in shape. He walked - usually with his dog, Porsche - 2 to 4 miles daily up until his knee replacement a year ago. We will so miss our Dad, Grandpa and Great-Grandpa - he was a funny, selfless, and humble man - deeply loved, respected, and adored - his departure leaves a huge hole in our hearts.

"We've always thought of our family as a meal. Our children are the meat and potatoes. We can't live without them. Then, they went off and found a couple of wonderful side dishes; our grandchildren are our dessert, and we can't get enough of them."
