I Am With You Still

I give you this one thought to keep

I am with you still- do not weep.

I am a thousand winds that blow.

I am the diamond glints on snow.

I am the sunlight on ripened grain.

I am the gentle autumn's rain.

When you awaken in the morning's hush,

I am the swift uplifting rush

Of quiet birds in circled flight.

I am the soft stars that shine at night.

Do not think of me as gone-

I am with you still- in each new dawn.

In Loving Memory of **Joy Lovaine Jones**
