Cowboy Blessing

May the rains fall on your pastures
And the grass grow belly high.

May your calves get
fat and sassy

And none of your cows be dry,
May your horses be sure footed
And blessed with good cow sense.
May your neighbors lend a hand
When it's time to fix the fence.

May the sun shine on your crops
When you harvest in the fall.
May your handshake be considered
Your word by one and all.
When your life is filled with laughter
Or when it's sad and gray.
May those you love be with you
To share each blessed day.
